

FALL 2015 DEAN FAREWELL

Dear NT students,

For the past 8 years it has been my honor to serve as Dean of the University College Community - the organization at Rutgers-New Brunswick dedicated to serving non-traditional students. During that time we have expanded the options for study available for NT students and helped hundreds of you solve the problems you face on the path to earning your degree. I know that the future of NT students at New Brunswick is bright and more options will be available in the future. I wish all of you the very best.

Sincerely,

Susan J. Schurman, Ph.d.
Distinguished Professor
Department of Labor Studies and Employment Relations

University College Community Is Moving

In October, UCC will be moved to a new location: Federation Hall, 4 Jones Avenue, New Brunswick, NJ 08901

CAREER FAIRS

[Career services](#), as part of undergraduate education, provides numerous resources and strategies to help students and alumni transition toward successful careers. In such a competitive market, it is highly recommended that students review the career services site each semester to learn about exciting new developments in the job market. Mark your calendars for the Fall Career and Internship Mega Fair taking place Thursday, September 17, 2015 and Friday, September 18, 2015 from 11:00am—4:00pm.

WELCOME

My name is [Dona Schneider](#) and I am Professor and Associate Dean for Programs at the Edward J. Bloustein School of Planning and Public Policy (EJB). The Vice Chancellor for Undergraduate Academic Affairs, Professor [Ben Sifuentes-Jáureguias](#), has just appointed me as acting dean of the University College Community.

Like you, I was a nontraditional student facing the challenge of balancing responsibilities at home and work with pursuing my academic goals. I can assure you that I am well aware of the struggles many of you face and I am committed to helping you achieve this balance. As part of this UCC transition, our offices are

being relocated to Federation Hall, 4 Jones Avenue on the Douglass campus. The new location will provide enhanced visibility, greater access, and support to other non-traditional student resources along George Street.

As Sue Schurman has fondly written in every UCC newsletter, “I want to offer a heartfelt Rutgers welcome to our new adult and non-traditional students and welcome back our continuing on and off-campus students.” In her tradition, I look forward to serving you and making the future a bit brighter for non-traditional students at RU-New Brunswick.

STUDY TIPS FOR NONTRADITIONAL STUDENTS

[Developing study skills](#) is a concern for working adults returning for a new semester. Experts say that people learn more by reflecting on what they are learning rather than by simply memorizing it. Try keeping an ongoing "reading journal" to record thoughts on the material and note questions it raises. When you go back to review your notes, you'll find new connections to current material and possibly new ways of looking at your subject. [Click for source.](#)

RECREATION CLASSES
